

**To: All MRH School District Bus Rider Parents**  
**From: Buildings and Grounds Department**  
**Re: Bus Discipline Procedures**

Safety is our main concern for all students when riding the bus to and from school. Due to incidents that violate safety, new consequences for misconduct on the buses will be implemented as of Friday, October 26, 2001. Bus misconduct will not be tolerated. Bus drivers will issue verbal and written warnings with students behave improperly on the bus. When deemed necessary, the bus driver will schedule a meeting with the principal, student, and his/her parents/guardians to address the behavior issues. If the behavior continues on the bus and the driver feels that the student is jeopardizing the safety of other students, the following actions will be taken.

- β **First time** bus offenders will **not be allowed to ride the bus for one week.**
- β **Second time** bus offenders will **not be allowed to ride the bus for the remainder of the semester.**

If you have any questions, please contact your school Principal or Transportation Director of (314) 644-4400.
